Hi:
We left home Elmore at 7 A.M. Pulled in here at 5-30. Have a lovely room but lousy meal as the udder broke off of the milk machine as we were told. Had such a nice time while at Elmore from here on I will be among strangers but am counting on having fun. Saw miles - miles of Cotton on our way here - weather perfect. Everything O.K. here - wish it was at home
